

The image shows a hand-drawn illustration of a light blue garment, possibly a shirt or dress, with a pocket and a belt. The garment is outlined with a solid blue line, and the pocket and belt are outlined with a dashed blue line. The pocket is rectangular with a pointed bottom and a flap that is folded over. The belt is a simple horizontal line. The text "La Saltianna" is written in a cursive font on a dark blue rectangular label on the pocket. The background is a solid light blue color.

ALMA MATER

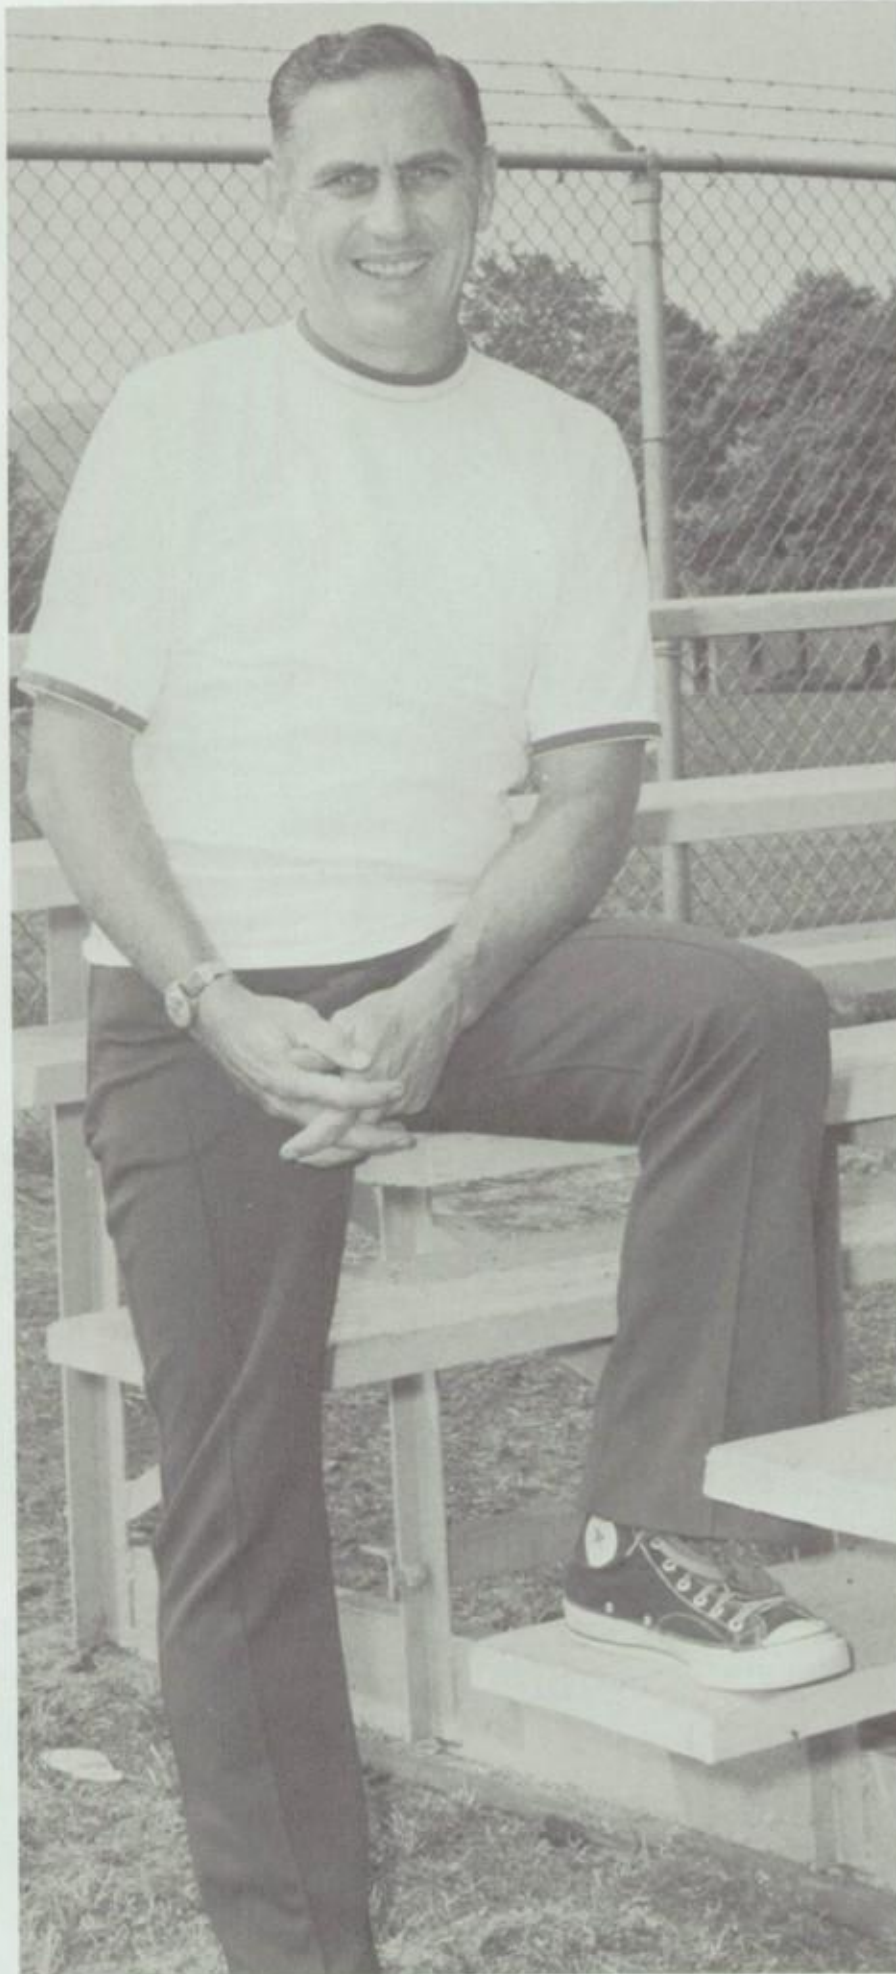

Hail, Alma Mater—
Saltsburg High
We think of days
And years gone by.
And praise we offer
Thee e'ermore—
As we depart from
Life's vast shore!
Oh, hear us when
We sing to thee,
Of our great love
And loyalty!

Hail, Alma Mater—
Red and White
The symbol of thy
Guiding light.
With Trojan brave
To guard thy name—
And give thee honor
Might and fame.
Go with us as we leave thy door,
And there remain, forevermore.

Hail, Alma Mater—
Saltsburg High
Thy mem'ry sweet
E'ermore shall lie
Within our hearts
Within our soul,
As we march onward
Toward life's goal.
May God's rich blessing
E'er be thine,
And always thy loved
Name refine!

By Fred Barkley (Class of 1957)

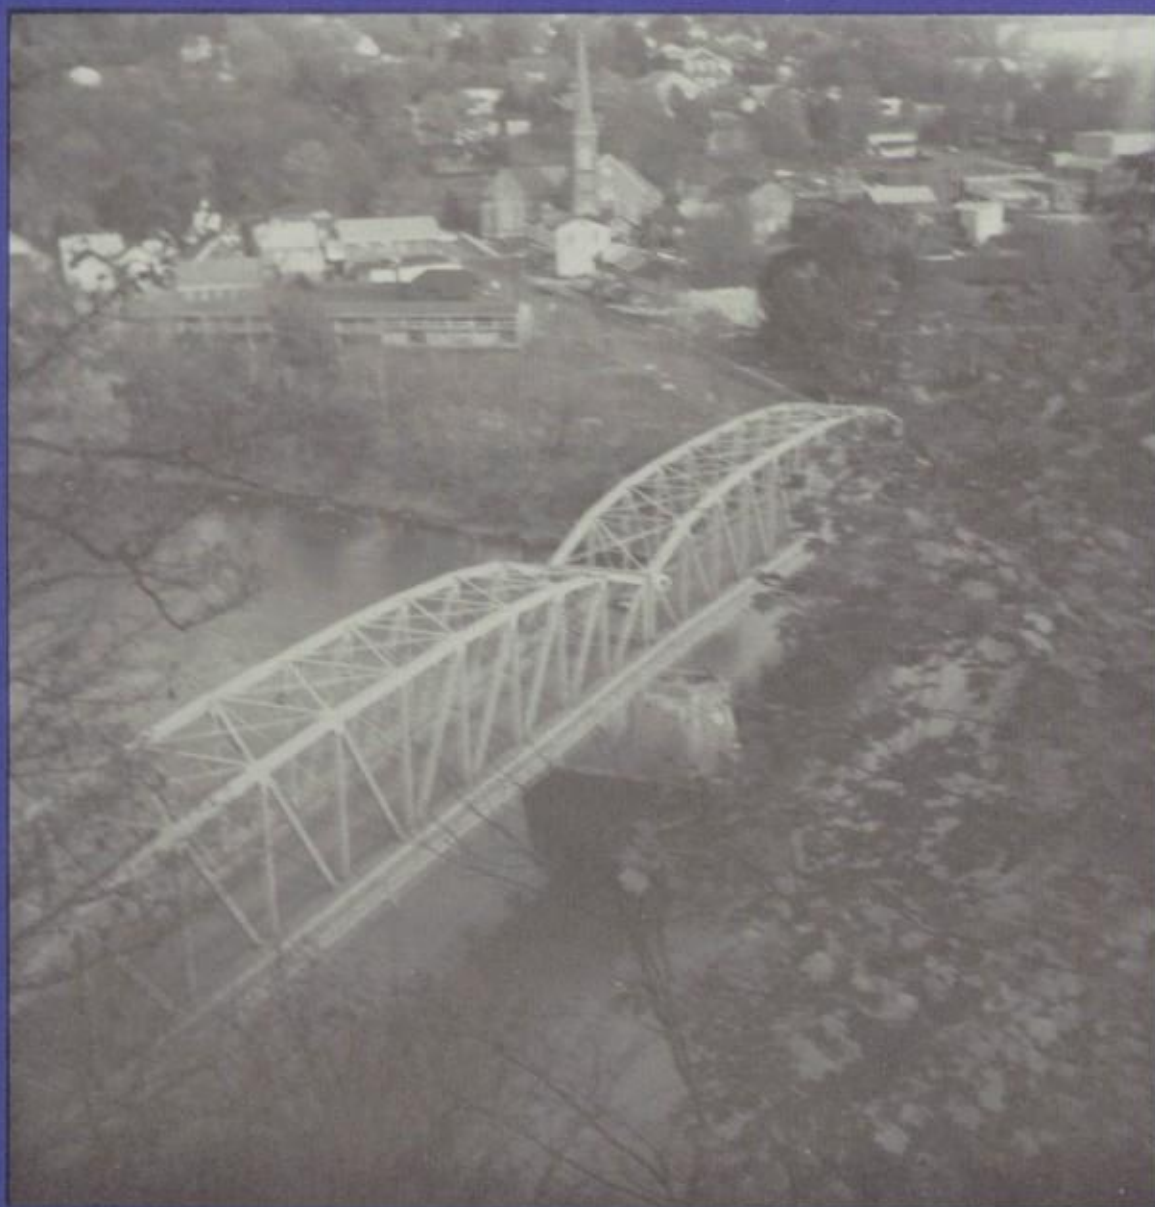

Dedication

This year, the yearbook staff proudly dedicates the 1975 La Saltianna to Mr. Roy (Casey) Lytle. He has guided our football team to a 5-3 record, coached the Jr. High Basketball team, and helped plan the Sports Banquet last year. The whole school was proud of Mr. Lytle last year when he won the Indiana County Coach of the Year Award. We, the yearbook staff, express our thanks and congratulations on behalf of the entire school.

I Shall Pass Through This World But Once.

Our school is our world for 6 years, 180 days a year, or 1080 days. Here we learn not only our school work but also how to accept responsibility. Many of us spend extra time here participating in sports and various organizations.

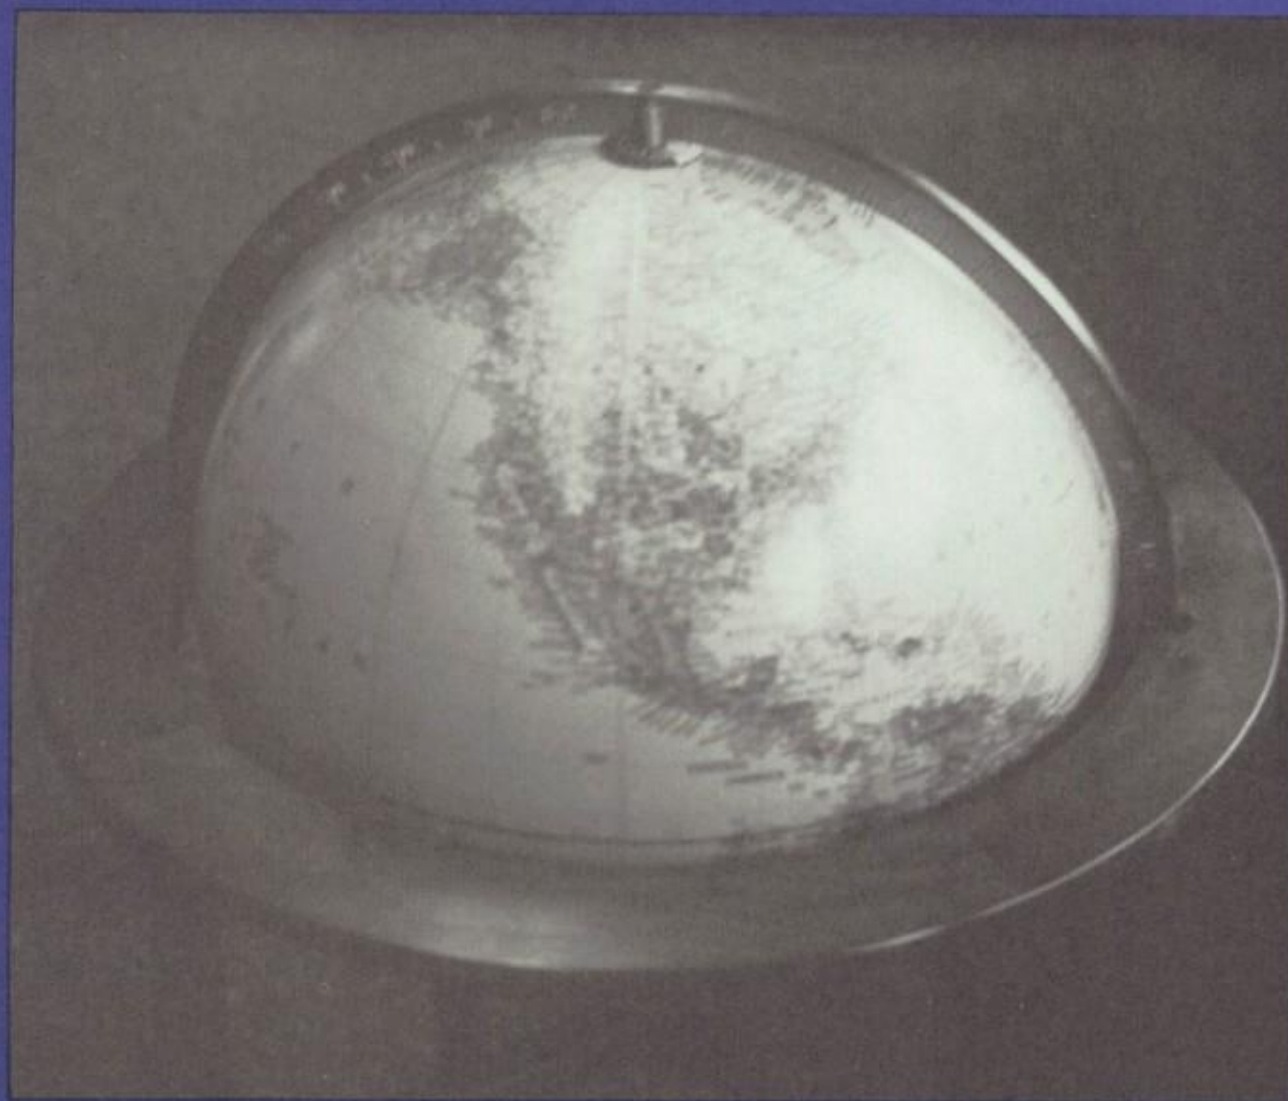

Saltsburg is home for many of us. We go to church here, do our shopping here and meet our friends down at Brownies after the game.

Seniors wonder what will be in store for them after they leave high school. The world has many new experiences for us. Whether school or work is in our future, we are eager to leave high school and belong to the larger world around us.

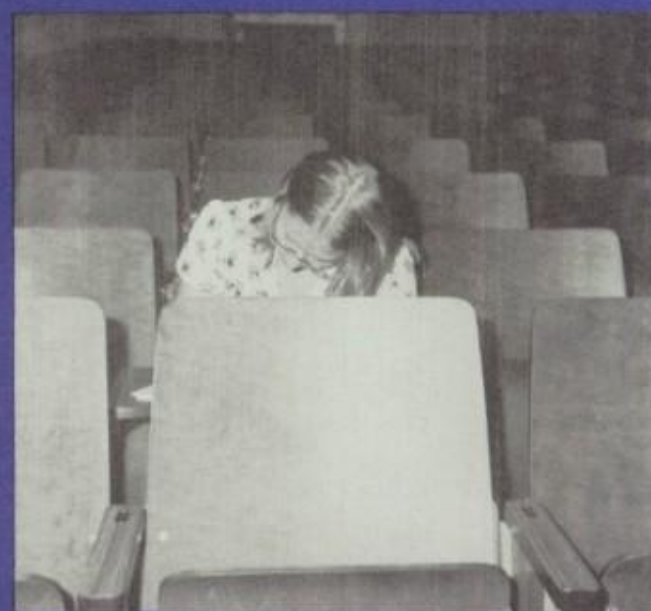

Our friends help us to cope with our problems and to see ourselves more realistically. Friends are to be cherished and many of us will have our friends from school for as long as we live.

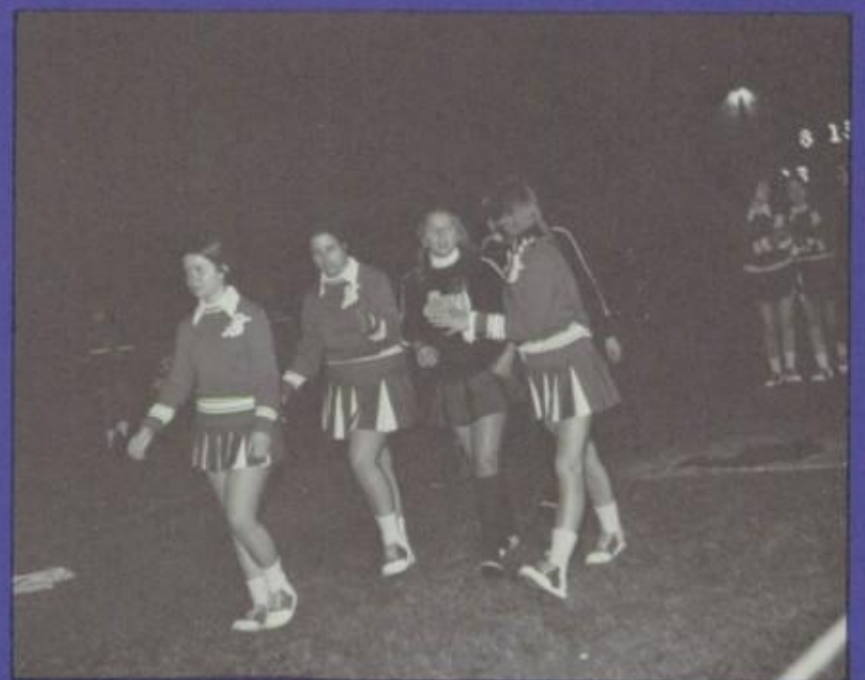

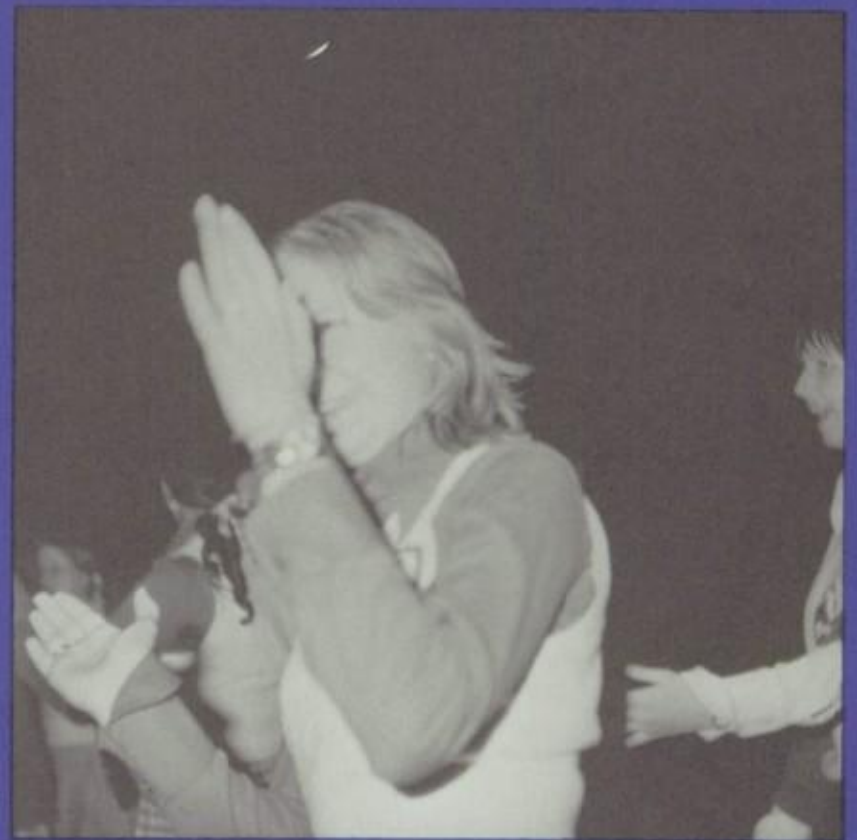

Any Good Thing Therefore, That I Can Do,

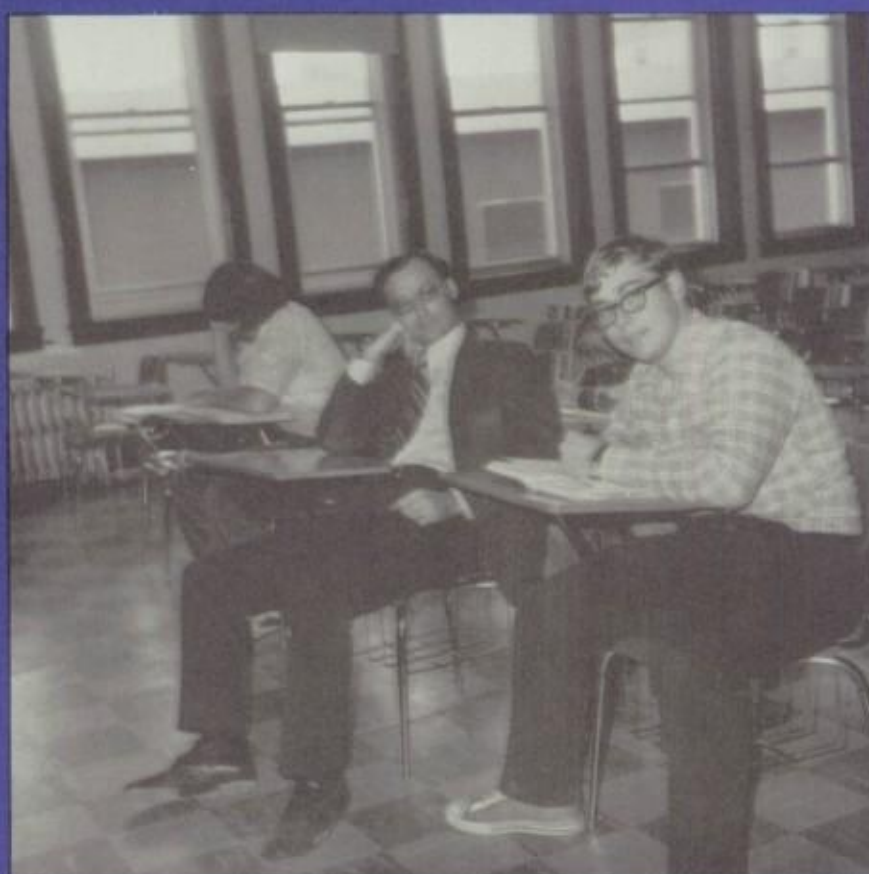

Doing good things for other people . . . whether it be keeping our environment clean, helping to raise money for library magazines, or leaving someone alone to study. Just knowing that we are helping others makes us feel good. Many ways of helping others and spreading happiness are quite evident every day at S.H.S. Mr. Gordish enjoys helping Cindy with her math . . . Brad tries to explain to Bob how a spring scale works . . . Sue excitedly cheers on her favorite player . . . and the other cheerleaders extend a warm welcome to their guests. Like our yearbook cover? Many thanks to Diana Cindric, creative artist who designed our 1975 La Saltianna cover. Many people do good things every day and are not thanked for them. So today, say "Thank you" to someone; it will brighten up their day and yours.

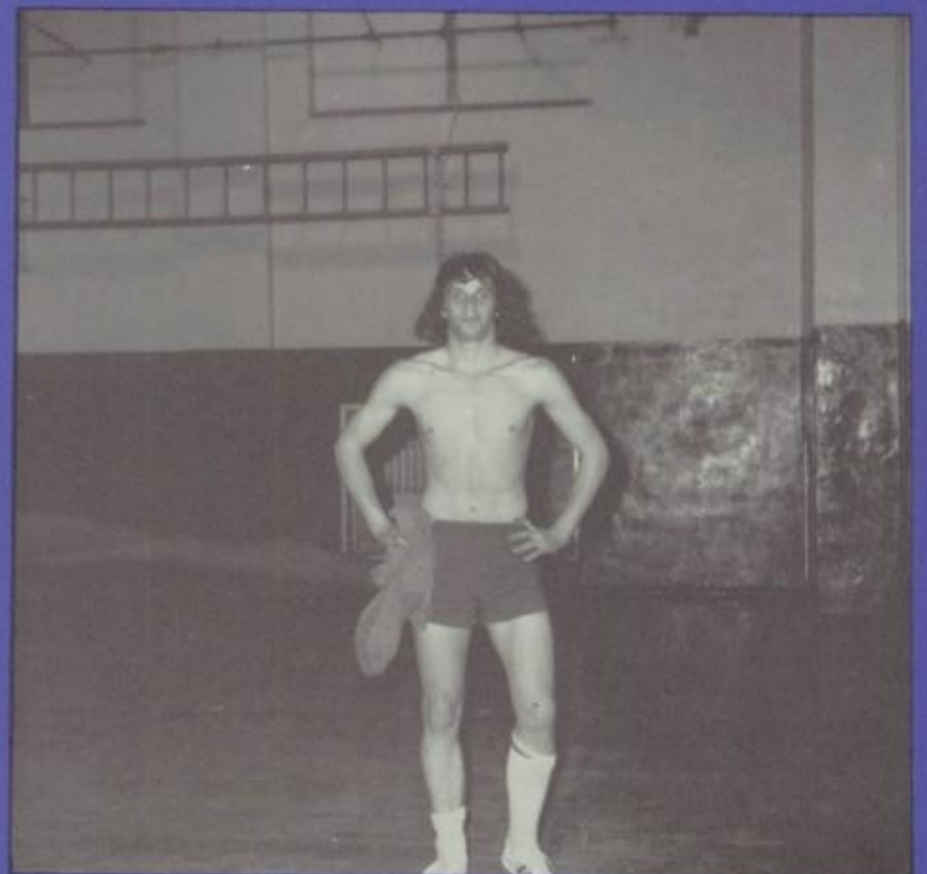

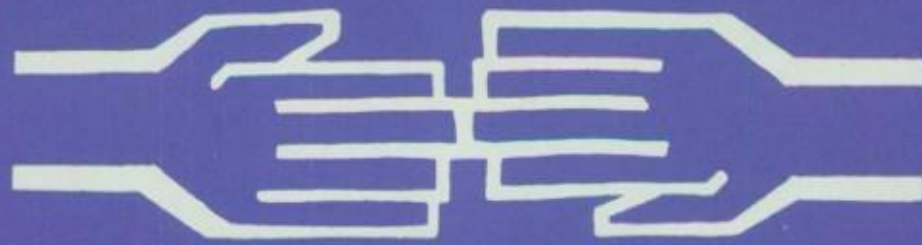

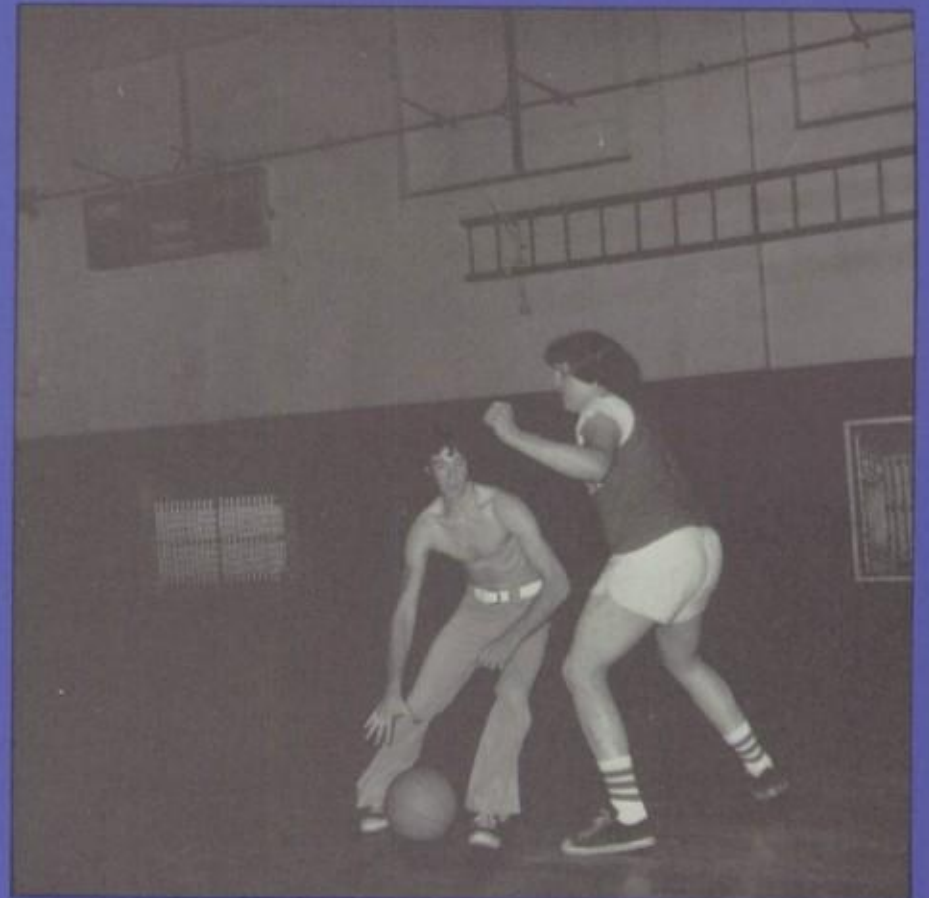

Or Any Kindness I Can Show To Any Human Being,

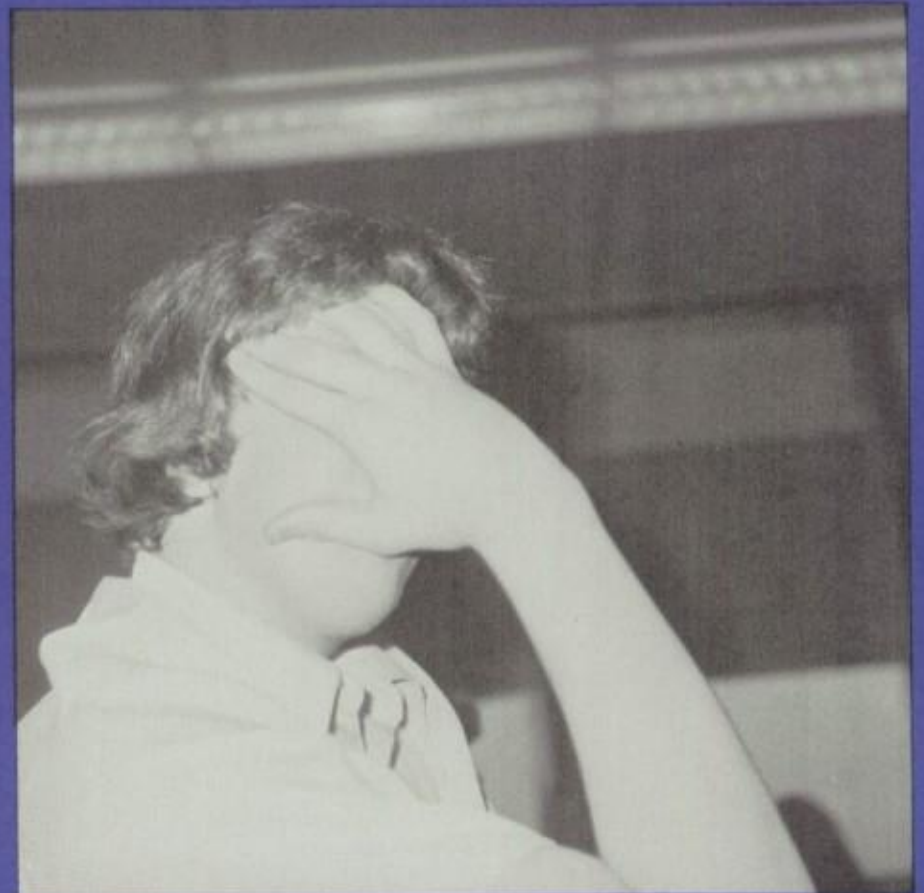

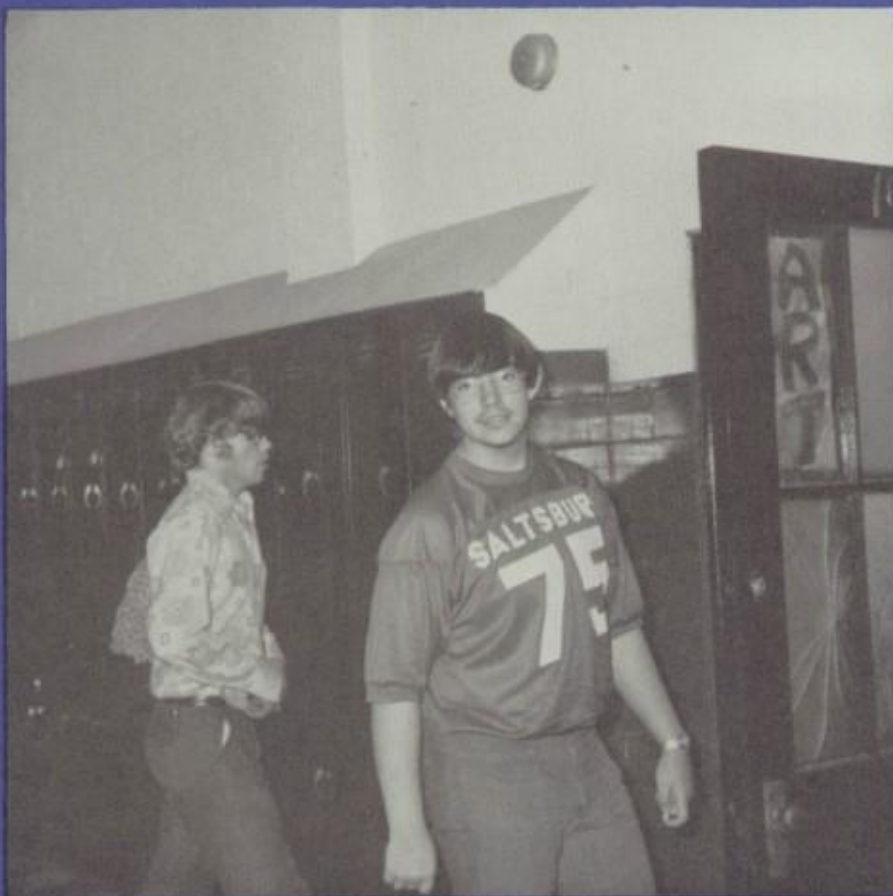

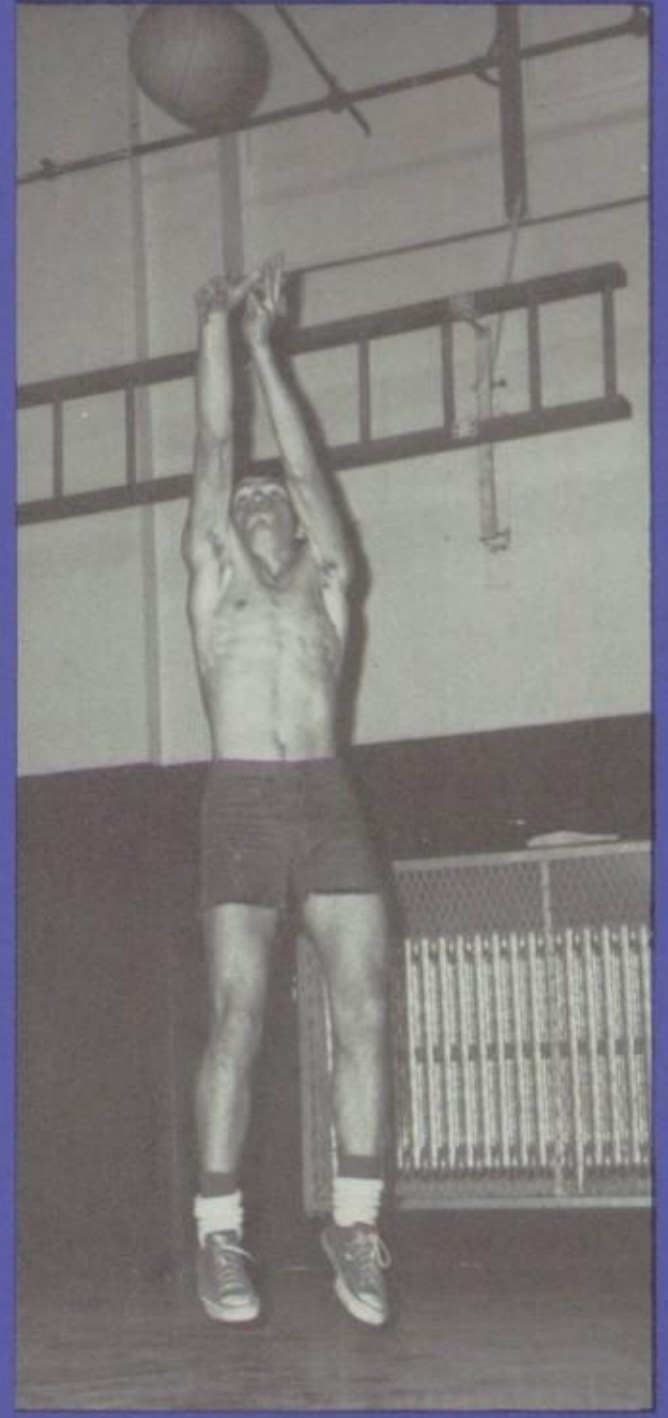

Being kind can take the form of letting a teacher go through the lunch line before you even though you haven't eaten since dinner yesterday. Kindness can also be leaving Carol alone to do her work or a teacher helping students understand their difficult math. Telling Brad that he is a male or allowing a friend to get in on the game that the two of you are playing can be some people's way of being kind. The hands reaching out for each other symbolize one person reaching out to help another person. "Bev, you're not a 747", and "Stacey, Mr. Universe you're not," might be said in jest, but they really aren't kind. In this world we must be kind to our friends, as well as those with whom we are not well acquainted.

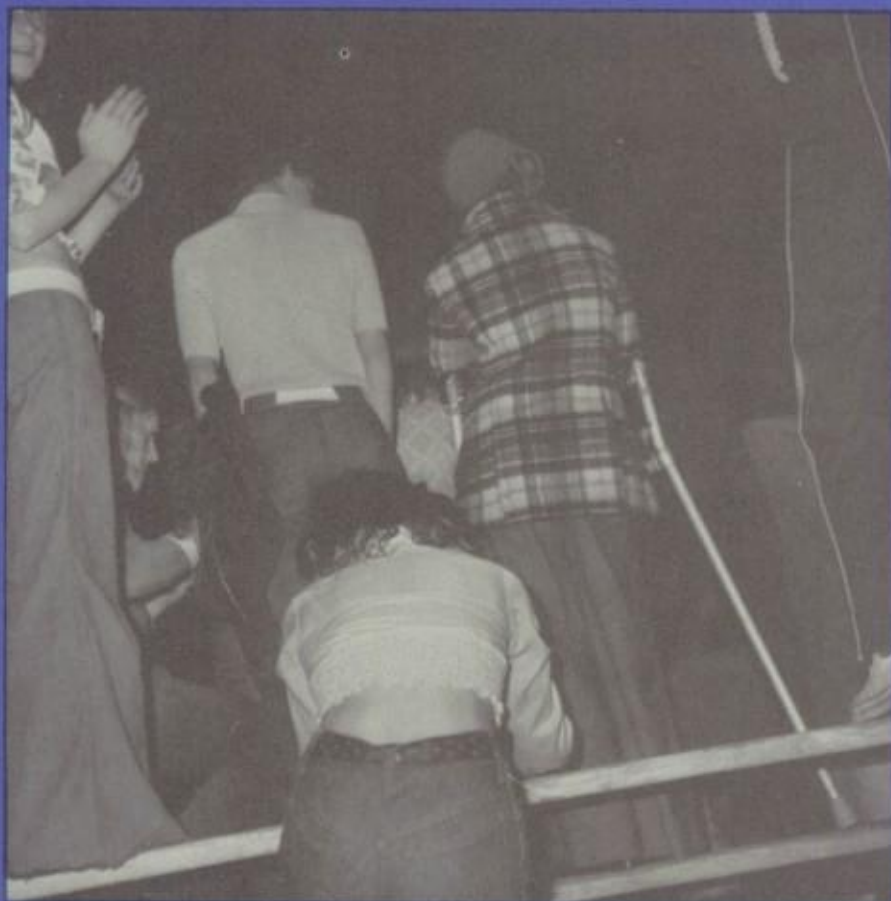

Let me do it now.
Let me not defer it nor neglect it,

As we go through school, we learn not to put things off in our life time. It may be just forgetting our lunch money, coming in late to class, not doing our homework or even forgetting what we're supposed to do. We shouldn't put off cleaning out our lockers just as we shouldn't put off practicing if we really want to be a good basketball player. Neglecting to give a picture to a friend is just as bad as writing on the walls. We know life would be much easier if we do what we should, when we should, and where we should.

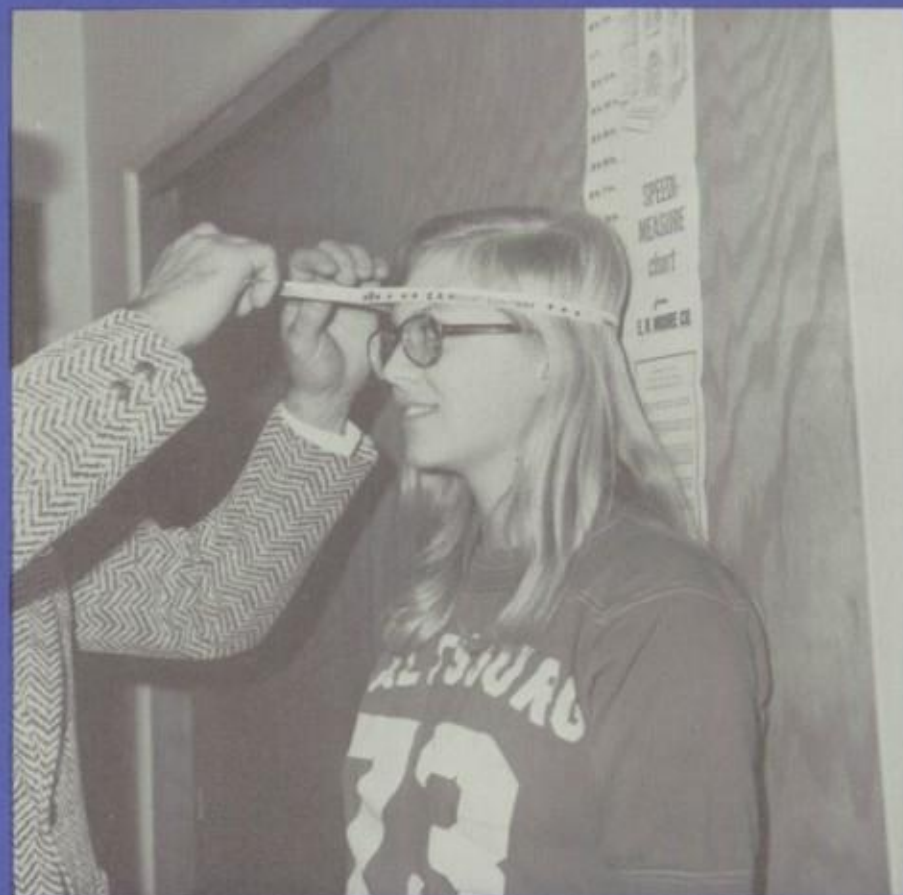

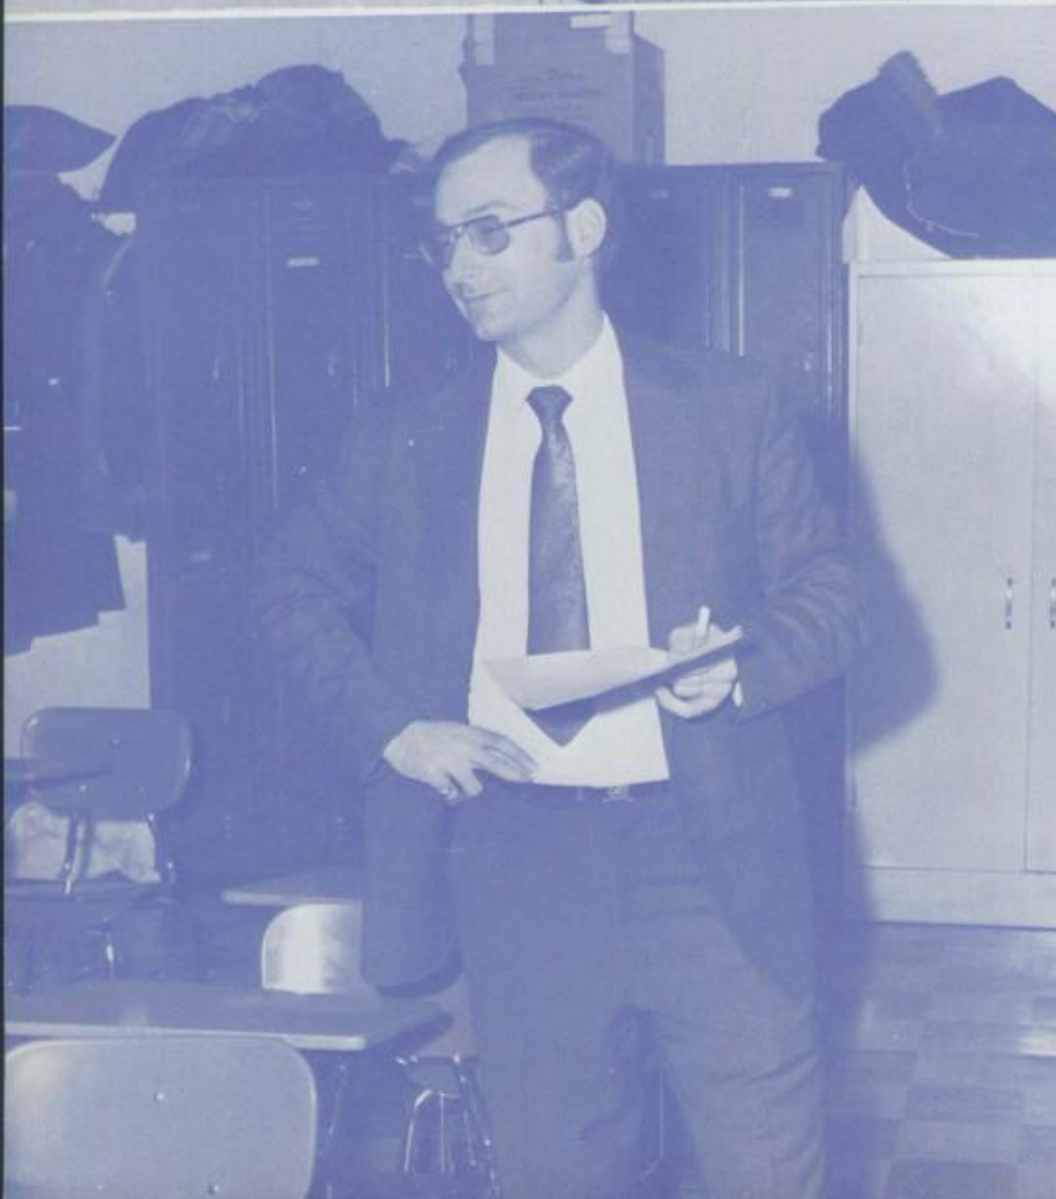

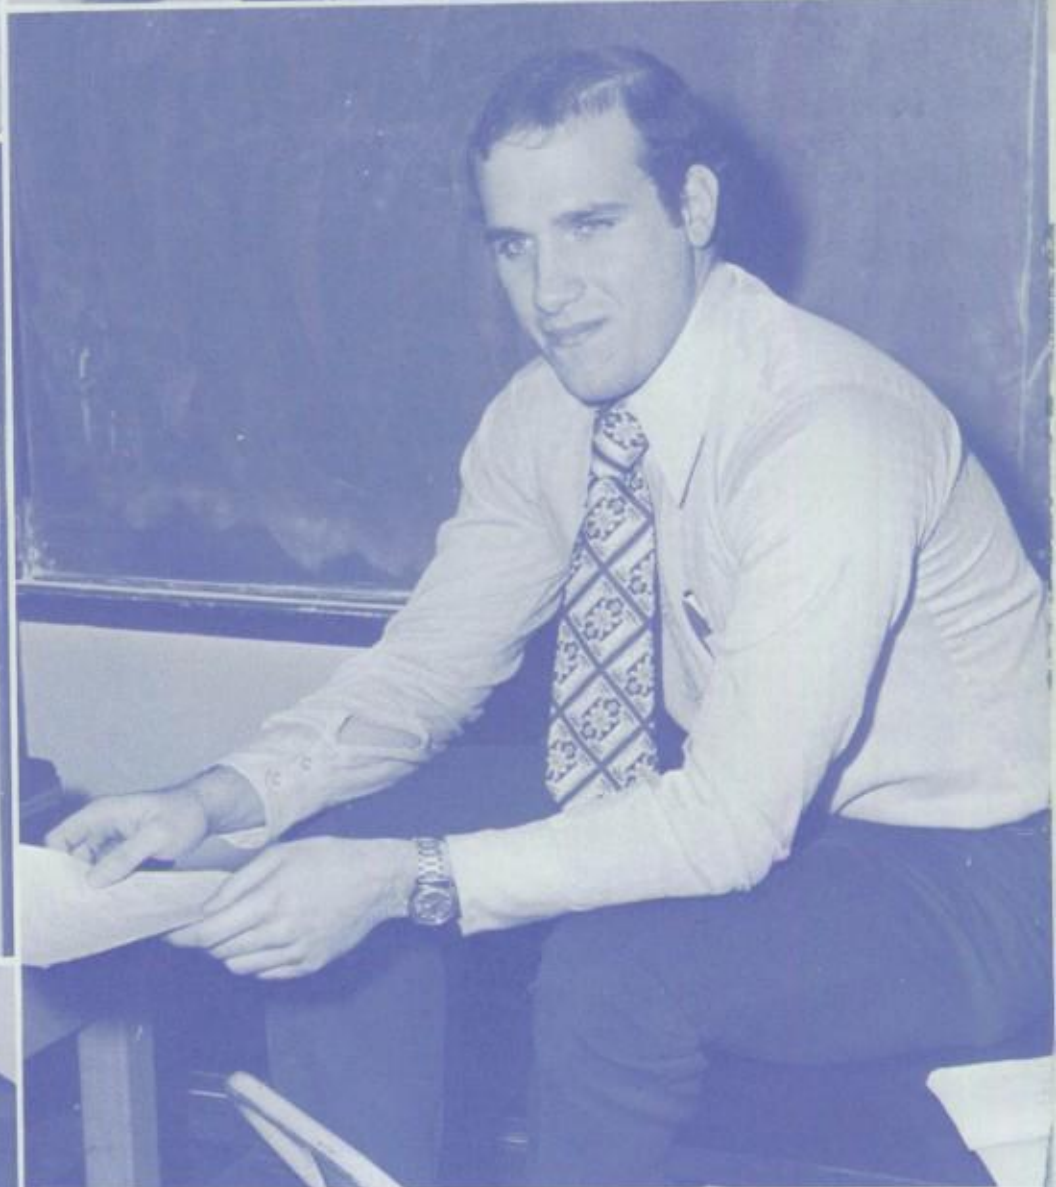

For I shall not pass this way again.

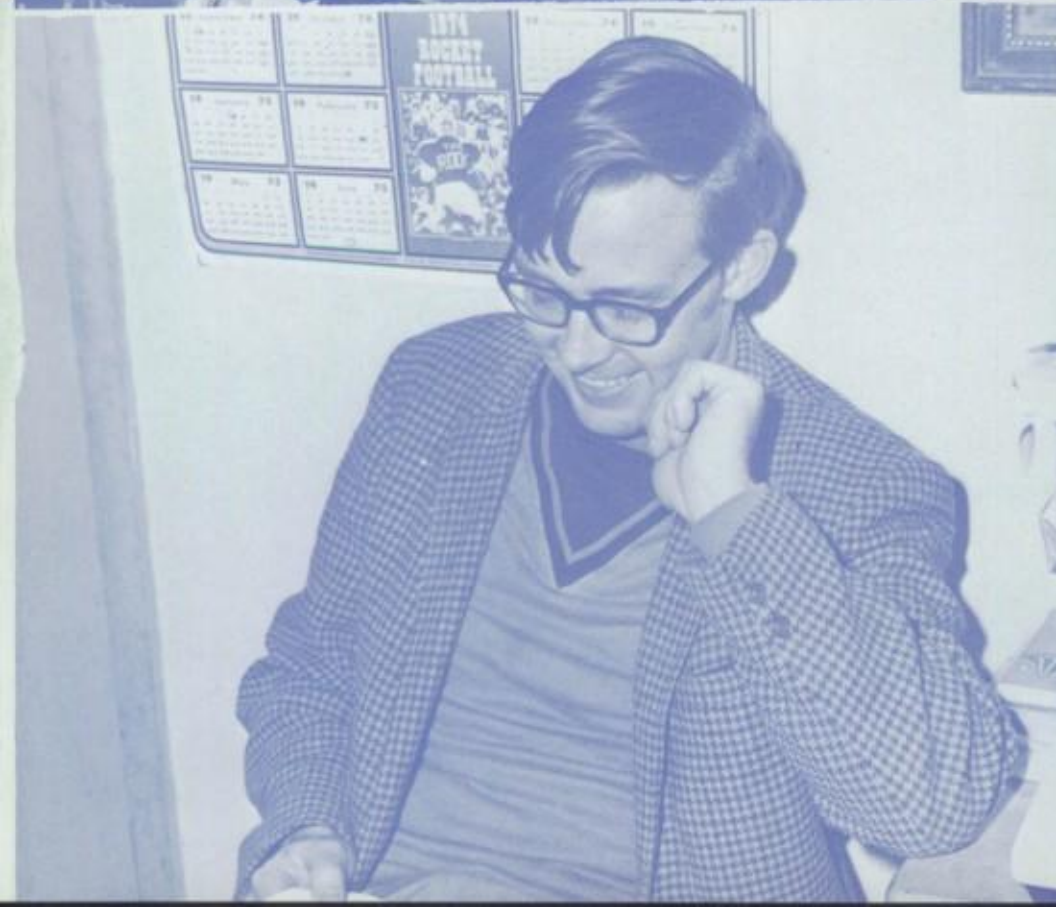

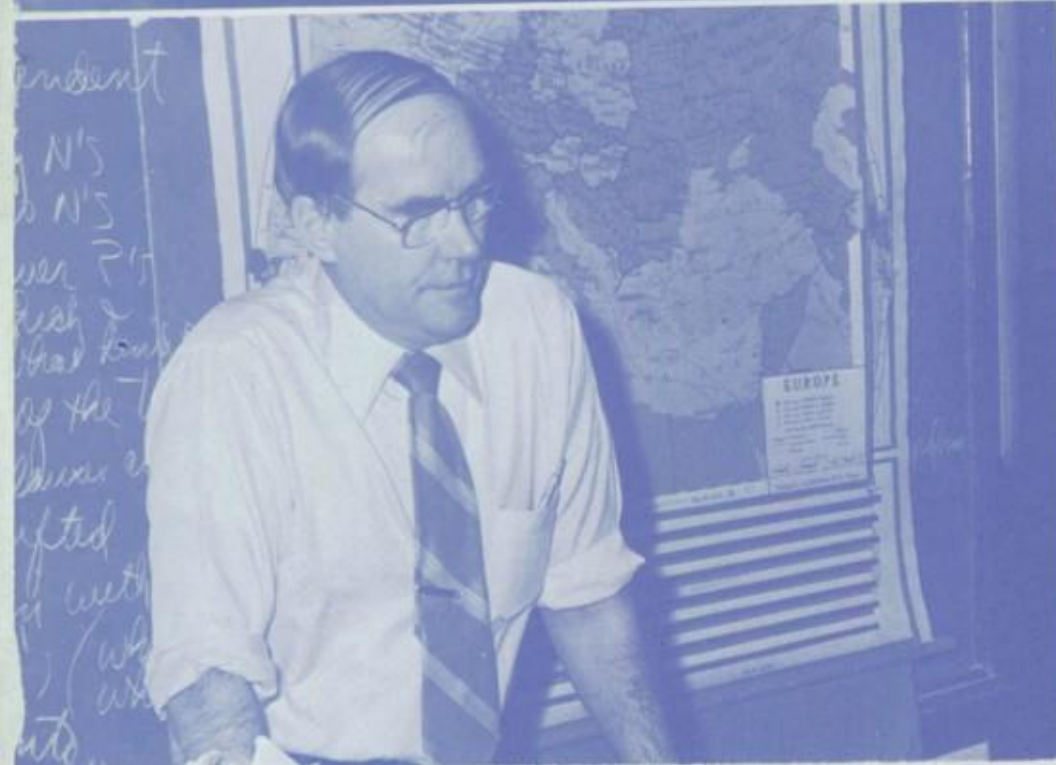

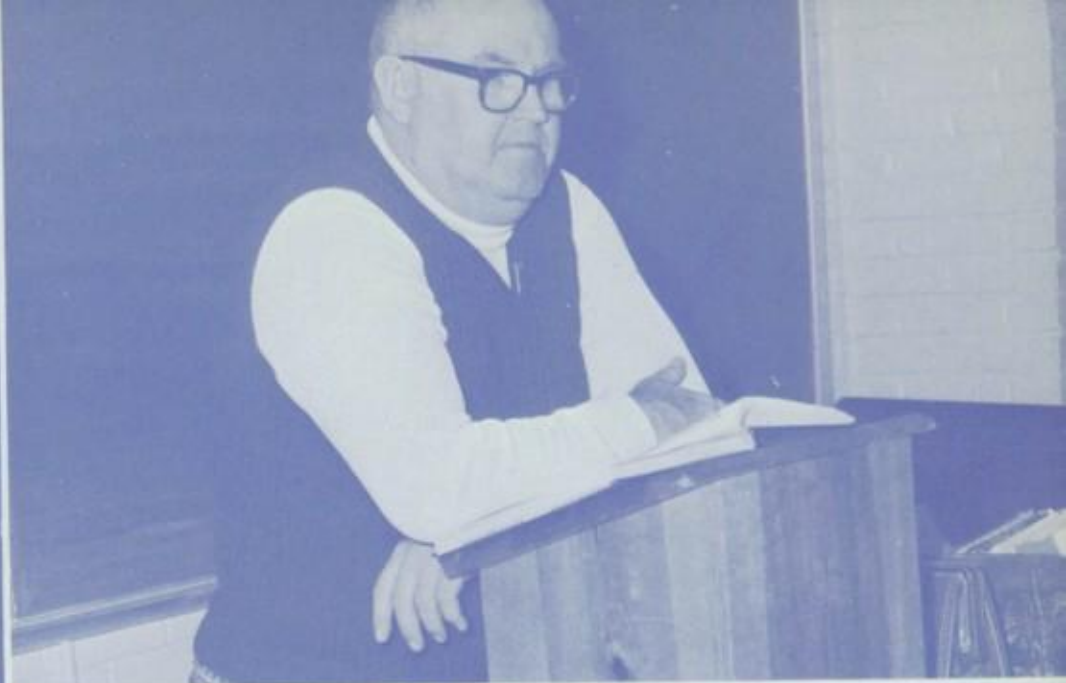

As our time for leaving school comes upon us we remember all the good times we've had. From going to football games with our friends, to helping raise money for Children's Hospital, or finally getting measured for our caps and gowns. As we ride home for the last time we look to the future we have in front of us, and leave behind many fond memories, of a time which we will remember always.

The spirit and enthusiasm shown by any school is motivated by the cheerleaders. Saltsburg athletic teams are most fortunate in having dedicated, enthusiastic and devoted young ladies to carry the Trojan's banner.

Beginning in August there was practice, practice, and more practice! There were signs to make that were delivered to the homes of the Trojans the night before the first gridiron battle. There were posters for the auditorium, "Sign Up for Victory" signs, decorations for the hall, pep rallys, a sign to run through at every game and a cheering contest to enter. There were games, matches, and more games. But our cheerleaders met the challenge and deserve both the respect and appreciation from the entire student body for their unending support and magnificent school spirit.

Pep rallies, games, skits . . . they always seem to be having a good time.

Saltsburg Standouts

Coach Lytle is giving a well awarded hand to All County Football members Bradley Clawson and Stacey Wildfire.

Dave McDivitt was selected as a member of the Christmas Tree Tournament All-Star Team of Class B for his fine play against Homer City.

Ralph Barbaro took a first place at the 119-pound weight class at the Redbank Valley Christmas Tournament which involved eight teams.

Leading their team to Class B Champs, Caroline DeLuca and Liane Dice were awarded a berth on the All-Tournament Team. Liane also received the honor of Most Valuable Player in Class "B" action.

Cindy White was voted this year's D.A.R. award winner by her fellow classmates.

Mrs. Cunningham proudly displays trophies that were won by her Girls Basketball Team and the Varsity Cheerleaders.

Not only a member of the All-County Team, Stacey Wildfire was a member of the Appalachian Conference Team and a nominee for Big "33."

There were great expectations for our Saltsburg Trojanettes this year. With an experienced starting line-up, it was hoped that this was "our year". But Marion Center turned the tables and nosed us out of the county league leadership.

Our record improved from 8-4 last year to 9-3 this year, and the team showed streaks of greatness.

The Seniors will be sorely missed when next years league gets underway.

Dan Hall

I'm beginning to think that this isn't the position I want in.

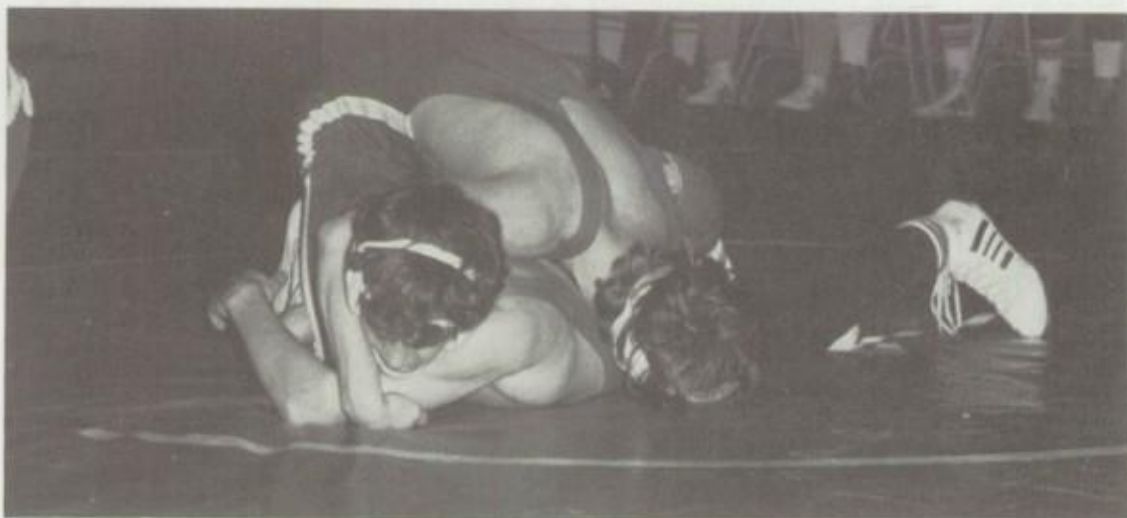

If I remember right this is the foot I should grab.

Snake rolls his opponent into position.

Coach, he just won't hold still and it's getting me mad.

Show him what the word "pain" really means.

Coach Orvosh looks over with anger at the opponents.

Look what Dan does to him on the next page.

Ken shows that it isn't all that hard to wrestle.

What are you waiting for ref, Christmas?

If you don't roll over soon, I'm going to bite you.

Hey coach, is this what you wanted me to do?

I counted 13 lights this time.

This is getting to be a lot of fun.

Rich Hall in control.

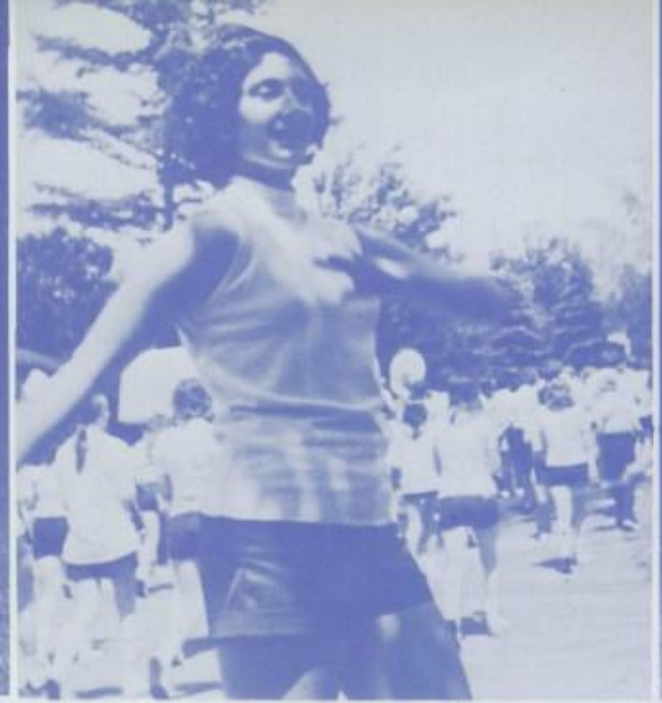

Forte observes.

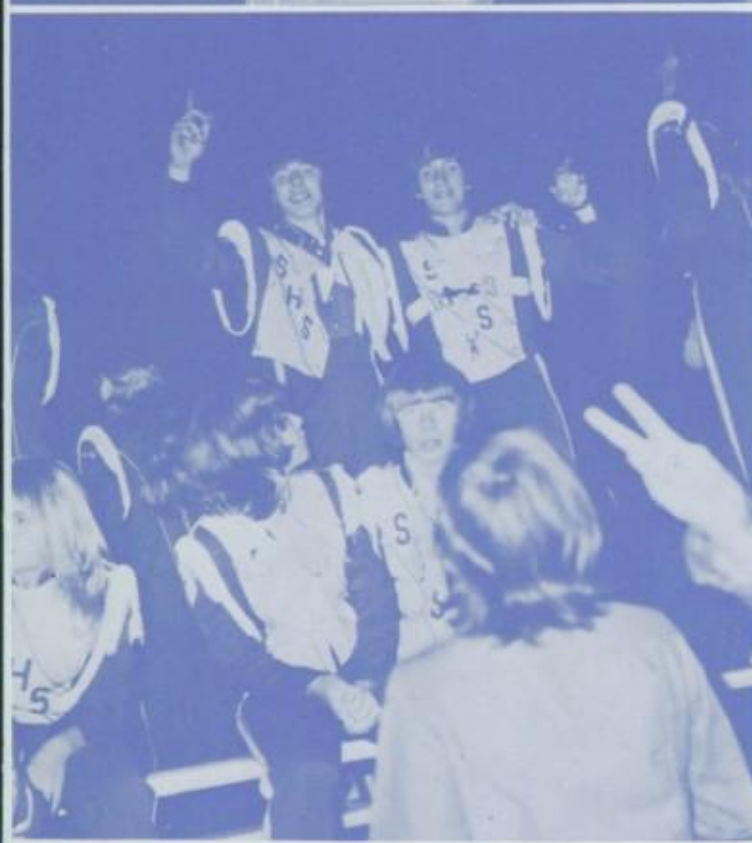

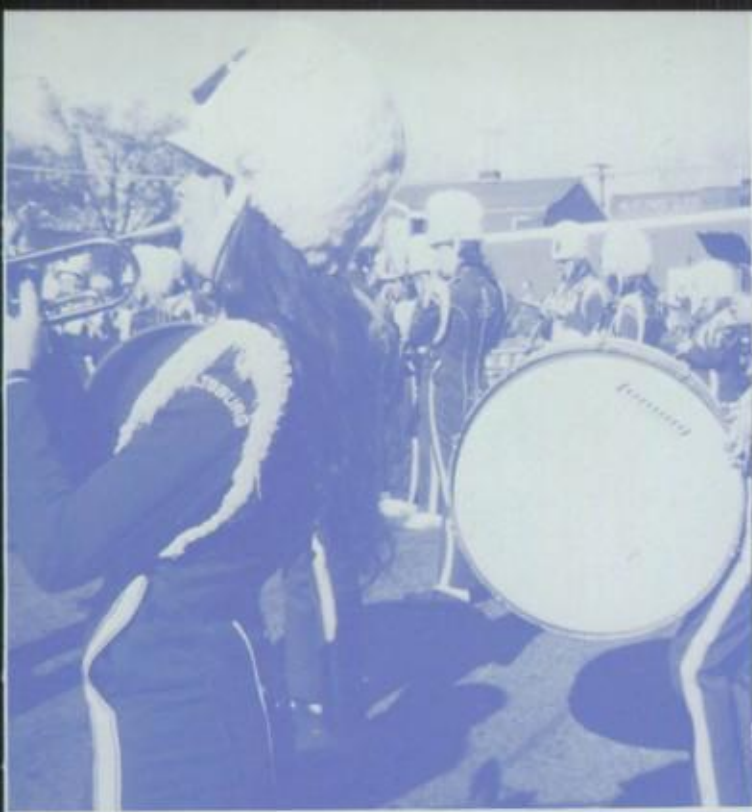

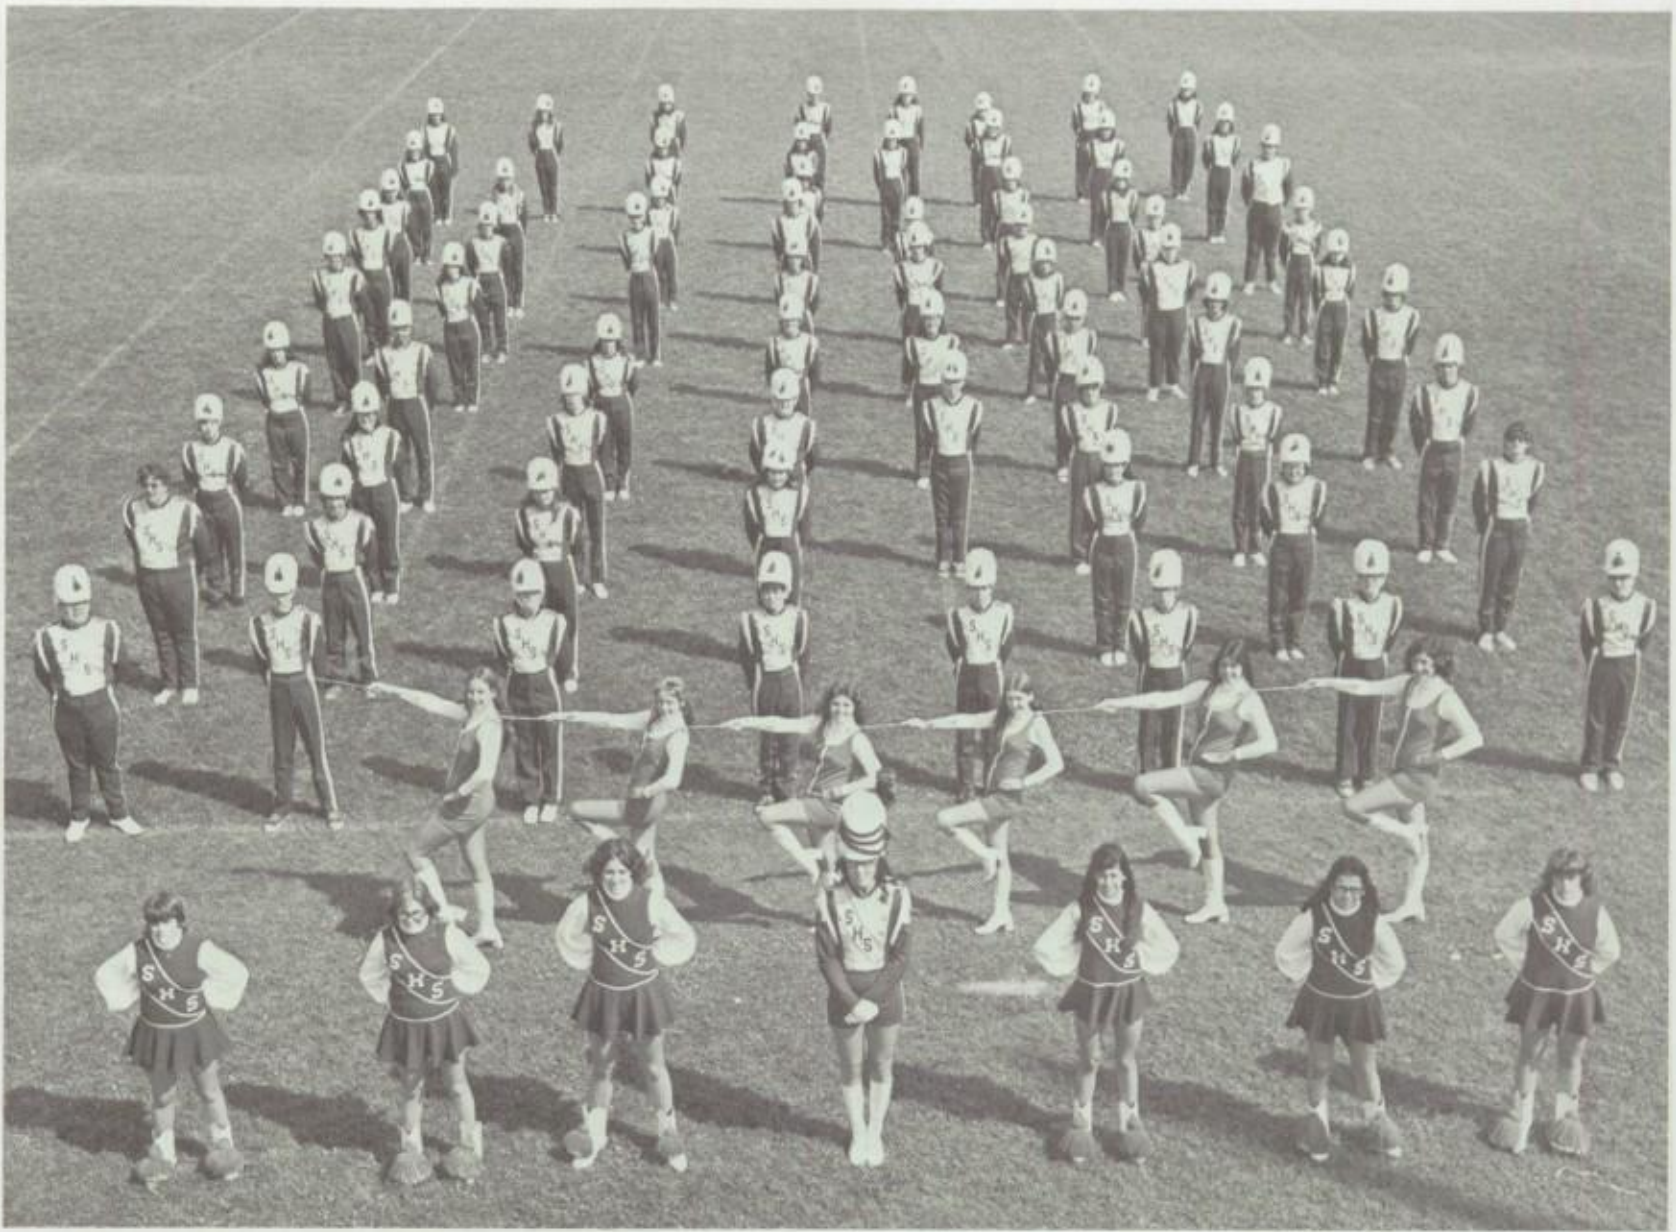

Tired Rick?

Wrestling is a sport of strength, speed, endurance, experience and self-determination. We would like to thank all of the wrestlers that had enough guts to stick the season out, because it takes a special person to wrestle.

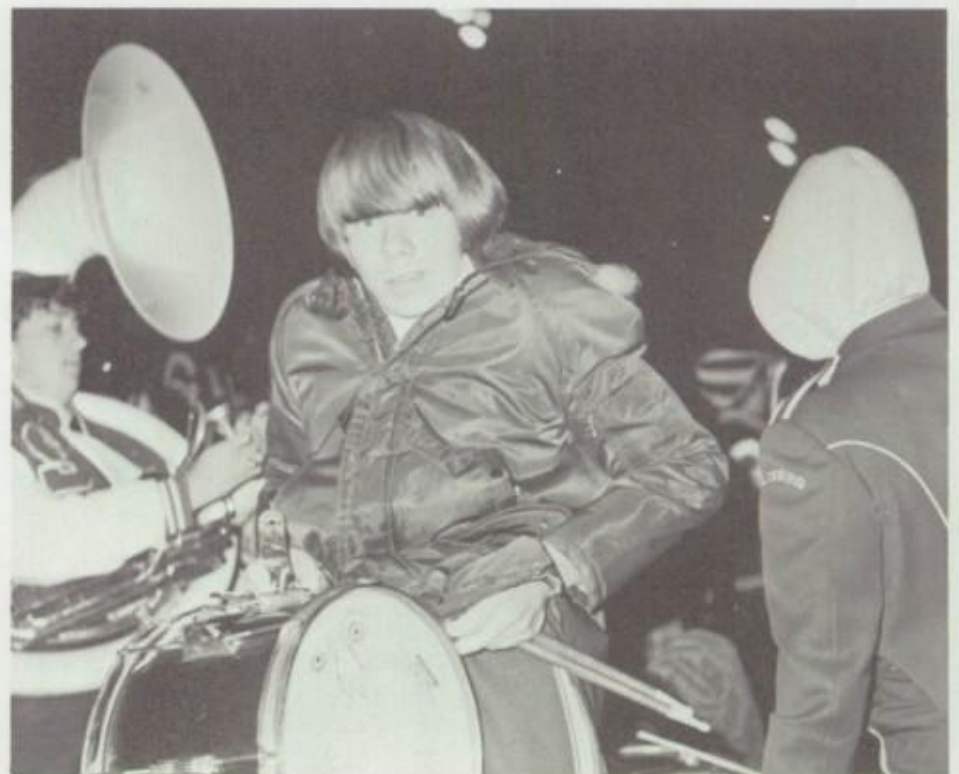

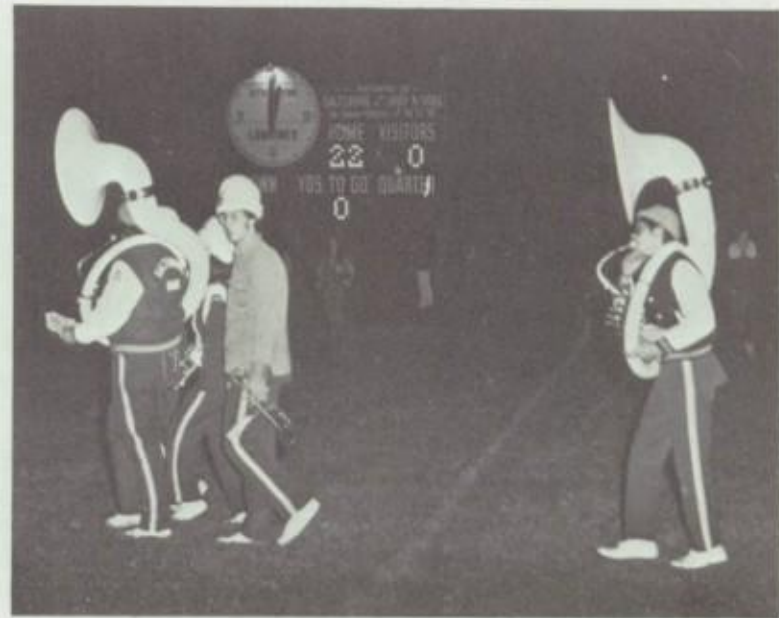

Band

The Saltzburg High School Marching Band is one the students and the entire community are quite proud of. Yet few people fully realize or appreciate the long hard practices our band goes through. Members begin practices in the sweltering summer heat even before school starts. They practice their half-time shows every morning during football season, whether the field is a mass of mud or if it's terribly cold. They haven't had new uniforms in years but that fact doesn't alter the spirit with which they perform. They participate in parades and even present Saltzburg with a "Marching Band Concert" each year. The sound of their music greatly enhances the excitement of pep rallies and football games. Surely all of us recognize our marching band as a special group of people deserving of thanks and praise from the entire school.

Sue Brett . . . State Band

STATE BAND — For the first time in S.H.S. History, we were represented at the All-State Band Festival. Sue Brett, a junior, participated in the festival which was held at the Pittsburgh Hilton. To be selected for State Band, you must first participate in the District and Regional Bands. Only the most outstanding musicians in the state are chosen for State Band and S.H.S. is very proud to have had Sue as our representative at the All-State Festival.

I.U.P. HONORS BAND — Over 200 students from seven different counties auditioned to the Wind and Percussion staff of I.U.P. From the many hopeful candidates only 100 of the best were chosen for this band. After three Saturday rehearsals, the band performed in concert under the direction of Mr. Daniel DiCicco. What an honor for Ann Butekoff, Sue Brett, and John Bednar to have been included in this select group!

DISTRICT BAND — S.H.S. sent three accomplished musicians to Brookville High School for the 1975 District Band Festival. These students are selected to participate in the District events by the recommendation of the band director at their high school. Many hours of rehearsal were spent by the participants, not only during their stay in Brookville, but prior to the event. Sue Brett, John Drummond and Ann Butekoff enjoyed every moment of this experience.

ACTIVITIES

Chess Club

Members, (L-R) ROW 1: G. Podelco, W. Cunningham, E. Feiling, M. Gould, E. Rombach, R. Koontz. ROW 2: B. Voshall, R. Barbaro, D. Hall, Mr. Gordish, R. Bortz, J. Johnson, J. Shirley.

The Chess Club, under the direction of Mr. Gordish and Mr. Gasperini, is in its third year at Saltsburg High School. The purpose of the club is for members to improve and enjoy their game. In the past the Chess Club traveled to Beaver Falls and Indiana to participate in tournaments. This year they hope to find local schools to play. Chess is one of the oldest and most scientific games. It's played on a chessboard by two persons. The board consists of eight rows of alternate light and dark squares, eight in each row. It is played with two different colored sets of men, sixteen in each set. Each player has eight pawns, two rooks, two knights, two bishops, a queen, and a king. Chess is thought to have originated in India, whence it was brought by way of Persia and Arabia to Europe. It was made popular in America through Benjamin Franklin, who both played it and wrote in its favor.

Ralph and Mr. Gordish concentrate on the game.

Future Farmers Of America

Future Farmers of America, under the direction of Keith C. Veach, is an organization dedicated to developing leadership, cooperation, and citizenship between its members. The F.F.A. motto is: "Learning to do, doing to learn, earning to live, living to serve." To be a member of the Future Farmers of America, you must be enrolled in Vocational agriculture. Future Farmers of America was organized in 1928 in Kansas City, Mo. There are 10,000 chapters in all states with a membership of approximately 450,000. During the year members are invited to participate in the County F.F.A. contests, and to attend the State F.F.A. Convention at Penn State. Near the end of the year a banquet is held. There are forty students enrolled in the F.F.A. at Saltsburg.

What did you say this was? It tastes like a cross between peanut butter and chow mein goulash, and Rice Krispies marinated in prune juice! Whatever it is, I wish I had a side dish of pickled pigs feet on a bed of Spanish rice. That would just hit the spot!

Senior High Future Homemakers of America

The Future Homemakers of America is not an activity devoted to the teaching of cooking and sewing. Rather, its goal is to develop an awareness of the multiple roles of men and women in today's society. Any student who is taking or has taken a course in Home Economics may be a member. Future Homemakers of America was founded June 11, 1945. It is sponsored by the U. S. Office of Education through the Home Economics Association. The objective is to help the youth assume their roles in society through personal growth, family life, vocational preparation and community involvement.

This year's F.H.A., sponsored by Miss Nehrig, made plans for their dance, "Hit Parade", had lollipop sales, bake sales, and held a spring banquet. Some members achieved their Junior, Chapter, or State degrees.

The G.A.A., sponsored by Mrs. Cunningham, is made up of girls in grades 10-12 who are interested in participating in intramural sports. During the year members are invited to play basketball and volleyball at lunchtime. After the Varsity Football games are finished, a Powder Puff Football game is played, Juniors vs. Seniors. This year the Seniors trampled the Juniors 30-0! In February a Powder Puff Basketball game is held. Members are given a certain number of points each time they participate in a sport, working for awards given at the end of the year. The awards are the G.A.A. wings, jacket, loving cup, charm, and sweater, which is the highest award. In the Spring members go on a field trip of their choice. Whatever G.A.A. members do they seem to have fun!

The Literary Magazine is an annual publication which comes off the presses each year in May. It includes literary contributions such as short stories and poems from various students. The magazine provides students a vent for self-expression. It's worthy to note there have been many talented students who have had their works published in past issues. Though many students have no interest in the literary magazine, it has enough loyal readers to make it worthwhile.

The Salt Shaker Staff, sponsored by Miss Dechman, did a tremendous job this year. They sold subscriptions and published a paper monthly. They proved themselves to be an informative, imaginative and dedicated staff. Each month they changed co-editors, which gave them the experience of being an editor of a newspaper. Both students and faculty alike enjoyed each newspaper our staff published this year.

The Saltsburg Jr-Sr High School Sportsman Club is in its fourth year. Under the direction of sponsors Mr. Bortz, Mr. Flack and Mr. Sadecky, it is one of the larger organizations. The Sportsman Club's purpose is to promote good sportsmanship, conservation and other related areas. To be a member of this organization you must show an interest in outdoor sports, such as hunting, trapping, and fishing.

Schools And Scribes...New This Year

New at Saltsburg was the chance for a junior and senior to be co-editors of Schools and Scribes. The Indiana Evening Gazette sponsors the column written by high school students all over Indiana County for their own high school. The column, published every Friday, contains such news as sports events, dances, concerts, meetings, and activities of the week. In May the Indiana Evening Gazette holds a banquet for all Schools and Scribes editors. Linda Rose and Diane Zuchelli are our Schools and Scribes co-editors. At the beginning of the school year, interested juniors and seniors wrote a paper on their feelings and attitudes and why they wanted to write the column. They then turned the papers into Mr. Fenoglietto, who chose the co-editors. Before Diane and Linda can mail the weekly column to Indiana, Mr. Fenoglietto must proofread it and Mr. Sell must approve it. We were fortunate to have these two girls and their photographer, Ann Butekoff, working on our school column this year.

Here Linda and Diane work on their Schools and Scribes column.

Extra-curricular activities are a very important part of school life. Here, at Saltsburg High School, students may belong to any of various organizations. Being a member of an organization helps a student to better himself in many ways, such as leadership, scholastic talents, cooperation, and also leads to the broadening of the mind. We are fortunate to have such a variety of organizations which are all beneficial to us. Colleges are beginning to give the activities — school, church and community, of prospective students more consideration than ever before.

Student Government...A Way To Be Heard

Robert H. MacBlane, Sponsor and Advisor.

Saltsburg Jr.-Sr. High School Student Council, under direction of our guidance counselor Robert H. MacBlane, is the students' government body. This organization was formed to promote better and more meaningful relationships between students, faculty and administration, and to give the students a voice in the formulation of certain school policies. This year the Student Council cooperated with other organizations in the school in raising money for Children's Hospital. In addition; they helped the Band Mothers raise money to purchase new band uniforms by selling candy bars. To be a member of the Student Council there is an election of representatives in each homeroom. Each senior high home room has two representatives and the junior high homerooms each have one. The Student Council has proved to be very effective this year.

Officers: Jim Greece, Vice President; Dorinda Lytle, Secretary; Frank Tuzi, President; Jim Conaway, Treasurer.

The Teachers' Secretaries, under the direction of Mrs. Roth, is a vital organization. These girls, paired with a teacher by Mrs. Roth, work on typing dittos and making copies for their respective teacher every Tuesday. Whenever the teachers need any typing done, such as worksheets, letters, or study guides, these are the girls they depend on to get the job done. This organization gives the girls a chance to see what being a secretary would be like. This would be especially nice for girls who plan to continue in a secretarial field after graduation. In any case, these efficient girls provide a great single service for the teachers.

The LaSaltianna Staff . . .

The yearbook staff is composed of those individuals willing to devote much time and hard work in an effort to give the students vivid memories of special events and moments during the 1974-75 school year. They capture scenes from every aspect of school life in hopes that, because of their efforts, you will remember this special year, from school events themselves to personal experience and growth during the year. The 1974-75 LaSaltianna staff sincerely feels you will enjoy this yearbook.

The Advertising Staff deserves special credit and thanks. They covered a large area soliciting ads so that we could produce a nice yearbook. Without these people this yearbook could not have been possible.

As you can see, our industrious editor is concentrating—on eating her pizza!

Don't get the wrong idea about Diane—she's concentrating too! It wasn't like this all the time!

Homecoming . . . A Time To Remember

Connie waits anxiously for the next name to be called.

Everyone heads for Bev to smother her with hugs and kisses!

Finally able to breathe, Bev gets one last hug.

Suspense, Excitement . . . Surprise!

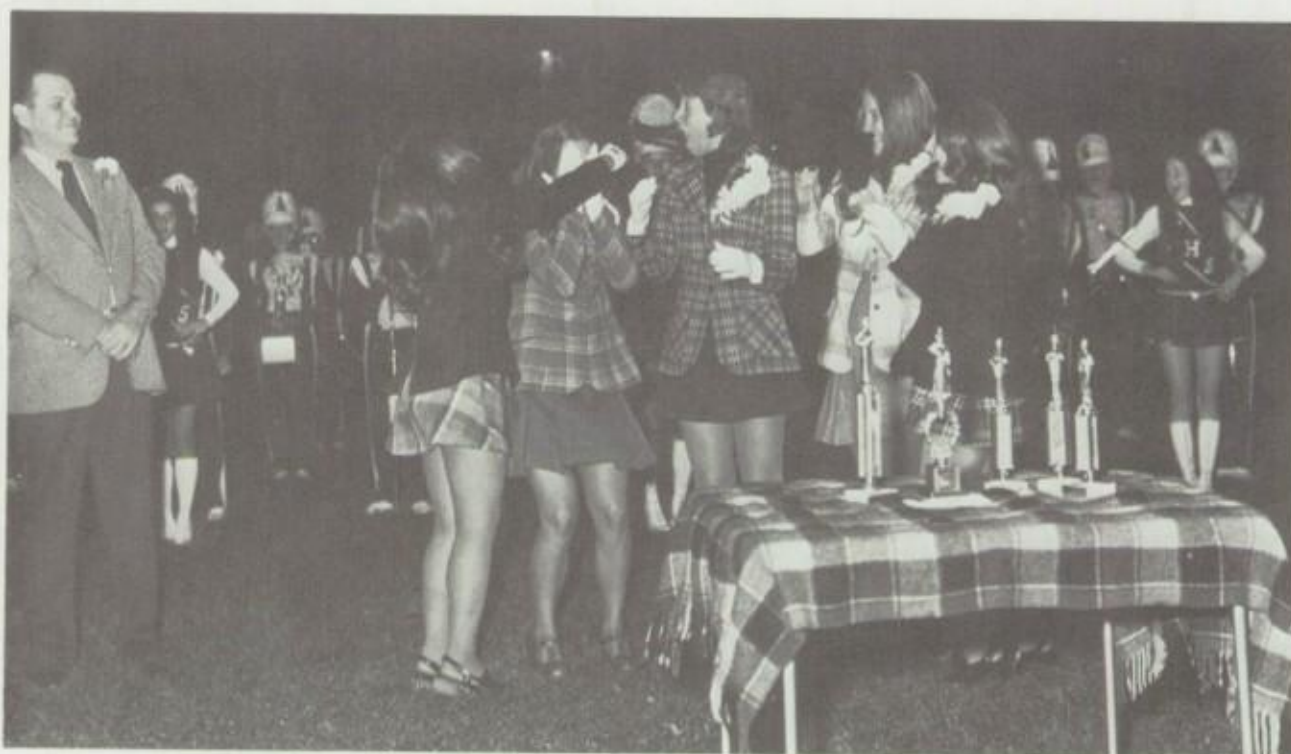

Excitement mounted as parade time drew near. Pictured here is Connie receiving a gift from the Varsity cheerleaders for being such a good friend. Liane opens her gift of remembrance from the cheerleaders. The cheerleaders' float with former queens made a pretty picture! Another picture of the parade and, finally, our Trojans rippin' on through their sign! Success was in the air! We played Blacklick Valley, trouncing the Viking team 22-0. A victory dance featuring "The Jolly Hopps" was held at the high school following the football game.

And The Lucky Girl Is . . .

Liane! Tears of happiness and disbelief, streaming down her smiling face, Liane was crowned by our principal, Mr. Ernest D. Sell. Liane is the daughter of Mr. and Mrs. Wayne Dice of Saltsburg. She is co-captain of the Varsity cheerleaders, captain of the girls' basketball team, and a teachers' secretary. She was voted the most athletic senior girl and has many outstanding qualities.

The Honored Girls And Their Special Escorts

PICTURED ABOVE is the 1974 Homecoming Court. Despite the cold weather, both the charming girls and their handsome escorts manage to smile! A night they will all cherish and remember. Homecoming is one of the biggest events of the school year, and we're proud that these ten people were the center of attention during the evening of October 4.

The Sweater Hop...One Very Special Night!

1975 Sweater Hop Court

The Freshman Sweater Hop is one of the very special highlights of the year for both Seniors and Freshmen. In fact, it's an annual tradition at Saltsburg. This year the Freshmen chose "Precious Moments" as the name of their Sweater Hop. The theme song was "Precious and Few" by Climax. The Freshmen worked quite hard, decorating the stage and cafeteria to depict a feeling of precious moments. It was self-evident that they sincerely wanted their Sweater Hop to be the best. If you attended the coronation and dance we need not tell you they surely were successful in providing the ten honored Seniors some wonderful memories.

Senior Class History

1969 marked our entrance to Saltsburg Junior-Senior High School. We were low men on the pole in school and were always being picked on or beat up by upper classmen. Our first year meant rushing to class to be on time and being deathly afraid to be sent to the office. We also took part in the Freshmen Sweater Hop by voting Bob Condor and Debbie Pistininzi to represent us as crownbearers. Yes, our first year at Saltsburg was hectic, but loads of fun.

Our second year had us up a rung on the school ladder and now we could look down on some people in school — the seventh graders. Eighth grade enabled us to be more active in school activities. Many guys participated in junior high football, basketball, and wrestling, while several girls were selected for the first junior high cheering squad. This year also saw more and more members of our class going to dances and sports activities. All in all, we had a lot to remember of our second year.

Our third year meant having the title of Freshmen pinned on us. It also meant electing class officers for the first time. The four we selected were: President- Jim Greece, Vice President- Debbie Annecchini, Secretary- Donna Kulik, Treasurer- Michele Kopchick. Our first class dance, the annual Sweater Hop, was held February 24, 1972. Under the careful guidance of our sponsor, Mrs. Garda, the dance was a huge success. Our Sweater Hop was entitled "Colour My World" after the Chicago hit song, and the stage was highlighted with attractive fluorescent lights, color wheels, and mirrors. The following Freshmen were elected by their class to escort the Seniors on this special night: Debbie Annecchini, Michele Kopchick, Donna Kulik, Liane Dice, Andrea Busi, Jim Greece, Allan Stevenson, Harvey Yingling, Dave McDivitt, and Bob Condor. Frank Tuzi and Linda Boring were selected as announcers for the evening. For the first time in Sweater Hop history our class changed a lot of the tradition. Caroline DeLuca, Terry Wensconis, Jerome Williams, and Jim Clawson were chosen as ushers for the night, by being the next four runners-up on the voting. We thought our Sweater Hop was the best one Saltsburg had ever seen.

Well, now that we had three years of junior high behind, we entered our sophomore year at Saltsburg knowing that we were now in the senior high. Class officer elections were held early in the year under the guidance of our sponsor, Mr. Gordish. Elected to office were President- Michele Kopchick, Vice President- Cindy White, Secretary- Jerome Williams, and Treasurer- Tim Rudolph. September meant ordering our class rings, so we all saved our money and got our orders in. December was supposedly their arrival date but we were displeased when we didn't receive them until March. Christmas time meant our class dance "Peace On Earth" held on December 20, 1972. It turned out to be a huge success and gave us a good start on our Prom. Many of us took part in junior varsity and varsity sports for the first time. Several girls were chosen for the junior varsity cheering squad, majorette squad, band, and colorguard. We were then an important part of the senior high and enjoyed our sophomore year.

When we entered our junior year the only word on our mind was "Prom". But first things came first. Mr. Hunter, our junior class

sponsor, held elections for class officers. President- Jim Greece, Vice President- Allan Stevenson, Secretary- Donna Kulik, Treasurer- Stacey Wildfire. These officers were soon put busily to work thinking up ideas to raise money. Then everyone started getting involved selling candles, baked goods, tee-shirts, hoagies, pop, potato chips, candy bars, and working at the concert we held featuring "The Whole In The Wall Gang". Our sales profited well and work got started. While we were decorating for our prom on the stage, work was underway in the auditorium installing new seats and the rug so that on prom night we would not only have prom decorations to show off, but a whole new auditorium. As the decorating committee left the school on April 26, 1974, we were all satisfied with the decorations which resembled our Freshmen Sweater Hop in many ways. After dancing to the theme of our prom, "Stairway To Heaven", couples were bussed to the Ramada Inn in Indiana where our after prom party was held. As the couples ate, got hypnotized, and danced to the music of "Mark V" and "Madison Blue Shoes", their night turned out to be a lot of fun. Now when we hear the song "Stairway To Heaven" on the radio, it brings back memories of that very special prom night.

With some people happy and some sad, our Senior year finally did arrive. Mr. Fenoglietto, our senior class sponsor, held our last election of class officers, which elected the following into office: President- Jim Greece, Vice President- Brad Clawson, Secretary- Donna Kulik, Treasurer- Bev Mock. Football got started and Homecoming was just around the corner. Five excited Senior girls were named to the 1974 Homecoming Court: Michele Kopchick, Donna Kulik, Liane Dice, Diane Zuchelli, and Bev Mock. At the half-time ceremonies on October 4th, Liane Dice was crowned Homecoming Queen. Football season came and went but soon after the powderpuff football game took place. Our senior girls defeated the juniors with the score of 35-0. October 29, 1974, our last class dance was held, "Partyin' In The Pumpkin Patch". The dance was a regular Halloween dance but it meant a little more to the seniors. The month of November turned out to be trophy month. First the varsity cheerleaders copped a third place trophy at the county cheering competition held November 16 at Penns Manor. Then, the girls' varsity basketball team took a first place trophy at the girls' basketball tournaments on November 23. The girls of the senior class proved themselves to be real winners this year. Soon after, boys' basketball and wrestling got started and Christmas vacation approached us. Returning from Christmas vacation, the Sweater Hop was soon to arrive. The court was voted on and the following seniors were named to the 1975 Sweater Hop Court: Diane Bair, Jennie Botti, Becky Hemphill, Connie Kaness, Terry Wensconis, Ralph Barbaro, Brad Clawson, Allan Stevenson, Frank Tuzi, and Stacey Wildfire. Allan Stevenson and Becky Hemphill were crowned King and Queen and reigned over the dance "Precious Moments". Now, with all school activities coming to a close, we were busily looking at schools, sending in applications, and filling out forms. Graduation was approaching us very fast. Our class voted to be the first class to graduate with red and white gowns. To us, we were the first to do many different things, some good and some bad. Most of all, our days at Saltsburg Junior-Senior High School gave us memories we will cherish the rest of our lives.

AUTOGRAPHS

I shall pass through this world
but once. **A**ny good thing there-
fore, that I can do, or any
Kindness I can show to any
human being, let me do it now.
Let me not defer it nor neg-
lect it, for I shall not pass
this way again.

Little things can mean so much. And many students have learned that giving of themselves creates the best of memories. Memories that we, the 1975 La Salianna Staff, have tried to capture throughout the school year. We hope that as you ventured through

this yearbook, you recalled many of the good times you have had in 1974-75 at S.H.S.
